

# ATV Trailers

Our outstanding line of Premium ATV Tilt and Load and ramp load trailers are second to none in the industry. The rugged construction of a complete HSS tube steel welded frame combined with a hot dipped galvanized or our Epoxy primed and painted finish set a new standard for durability and quality throughout the industry. With much attention to detail, the added benefits of heavy duty axles, tilt spring and jacks, hwy rated tires, durable plastic step fenders & premium lighting & electrical components are nothing short of what our customers have come to expect when purchasing any of our Canadian Built *EXCALIBUR Trailers*.
